NEEDLEPOINT BELT INFORMATION

- ◆ A binding or finishing stitch is not a necessity, but will give your belts a finished touch. It provides an edge that folds back so that canvas will not show in the leathering process.
- ◆ All belts will lose 1 row of needlepoint around, unless otherwise specified.
- ◆ Most standard buckles are included in the belt prices. Detachable buckles are an extra charge of \$5.00.
- ◆ Buckles are always put on the left side, unless ordered on right side.
- ◆ Please allow up to 4-6 weeks for finishing. Rush orders at extra charge.

DETERMINING BELT SIZE

- * Measure a belt from the where the tongue of the belt touches the bar to the hole most used = BELT SIZE
- * Pants size + 2" = BELT SIZE (example: 34" pants + 2" = 36" BELT SIZE)

All belts come with 3 holes unless specially ordered.

BLOCKING

- * Blocking charge per belt is \$10-\$20 depending on how out of shape it is.
- * We will NOT be responsible for the color fastness of yarns.

We will NOT be responsible for blockability of any canvas in continental or plaid design, and there will be an additional blocking charge.
