## NEEDLEPOINT BELT INFORMATION

- A binding or finishing stitch is not a necessity, but will give your belts a finished touch. It provides an edge that folds back so that canvas will not show in the leathering process.
- All belts will lose 1 row of needlepoint around, unless otherwise specified.
- Most standard buckles are included in the belt prices. Detachable buckles are an extra charge of \$5.00.
- Buckles are always put on the left side, unless ordered on right side.
- Please allow up to 3 months for finishing. Rush orders at extra charge.

### DETERMINING BELT SIZE

- Measure a belt from where the tongue of the belt touches the bar to the hole most used = BELT SIZE
- Pants size + 3" = BELT SIZE (example 34" pants + 3" = 37" belt size)

**ALL BELTS COME WITH 5 HOLES UNLESS SPECIFICALLY ORDERED**

### BLOCKING

- Blocking charge per belt is \$15-25, depending on how out of shape it is.
- We will **NOT** be responsible for the color fastness of yarns.
- We will **NOT** be responsible for blockability of any canvas in continental or plaid design, and there will be an additional blocking charge.
